Subject: Notice of File Closure, K Four Ranch, Inc., Briggs Quarry, S/003/0058, Box Elder County, Utah

Dear Mr. Peterson:

The files for the Briggs quarry, file number S/003/0058, will now be closed and retired. The unreclaimed one-half acre of disturbance is being added to the permit for the Sierra Starlight quarry. An inspection performed on June 11, 2014, found that the rest of the site had adequate vegetation for full release. No reclamation surety was associated with this mine.

Please contact Lynn Kunzler at 801-538-5310 or me at 801-538-5261 if you have questions or concerns regarding this action. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker  
Minerals Program Manager
